Pave the Path with Love

"You matter because you are you, and you matter to the end of your life. We will do all we can not only to help you die peacefully, but also to live until you die."

**Hospice of South Texas
Dornburg Center of Compassion**

Since 1985, Hospice of South Texas has been providing care and support to the terminally ill and their families. Our *Dornburg Center of Compassion* is providing further choices in end-of-life care with an inpatient center. Designed to feel like a home away from home and set on 30 acres, our facility has 12 private patient rooms (expandable to 36 in future phases) with round-the-clock care from skilled and compassionate nursing staff and hospice professionals. Family gathering areas, a chapel, and beautiful outdoor spaces are a few of the center's many offerings.
