**Hospice of South Texas  
Dornburg Center of Compassion**

Since 1985, Hospice of South Texas has been providing care and support to the terminally ill and their families. Our *Dornburg Center of Compassion* is providing further choices in end-of-life care with an inpatient center. Designed to feel like a home away from home and set on 30 acres, our facility has 12 private patient rooms (expandable to 36 in future phases) with round-the-clock care from skilled and compassionate nursing staff and hospice professionals. Family gathering areas, a chapel, and beautiful outdoor spaces are a few of the center's many offerings.

**Help Us Pave the Path with Love**

We invite you to support our inpatient center with a commemorative paver - a beautiful way to leave a lasting legacy, honor someone special on a birthday or anniversary or memorialize a loved one. Choose from three sizes of pavers:

8"x 8" paver with six lines of engraving, each with 18 spaces per line - \$500

- Engraving on pavers will be in all capital letters.
